## Welcome to the World of BBQ

## Fire, Food, Friendship and Fun

### President's notes

Dear Friends of BBQ

What makes us different?

The World BBQ Association  
We are pleased to announce that our membership is growing, with more trained and registered judges, with more teams from non-affiliated countries and country membership.  
We keep our members up to date with information regarding rules & regulations, and we continually promote our high standards of food presentation, food hygiene, safety and recycling.

Thank you for your continued support

Patrick O'Sullivan  
WBQA President

### Welcome to the First edition of WBQA Newsletter!

We are very excited to bring you all the up-to-date news regarding the WBQA – but we're going to need your help too!

Please take a little time to send us anything you may consider would be of interest to your fellow BBQ'ers – from all about your events (past & present), your favourite recipes, funny stories that have happened to you at our competitions, etc. etc!

Please email anything you may have to [presidentwbqa@gmail.com](mailto:presidentwbqa@gmail.com) – we look forward to hearing from you!

In the meantime, it's the first really beautifully sunny, cold day here in Limerick, Ireland and we can tell that Spring is finally in the air!

Here in the WBQA Administration Office, Robert is busy updating our facebook page, Adam is working hard on our website ([www.world-bbq.com](http://www.world-bbq.com)) and Patrick is tucked away in his office planning the AGM/Presidents' Meeting which is going to take place in Limerick this weekend, 26/27/28 February 2016.

After the meeting we expect to have lots of information to share with you regarding the WBQA European BBQ Championships due to take place in Bremen, Germany in September 2016.

### European BBQ Championships

Venue: Bremen, Germany

### Your voice

We want to hear from you

1.How best can we improve the WBQA?

2.Should we allow gas BBQs in our competitions?

3.Should we allow electrically-fed pellets?

4.What is your view on automatic, electronic scoring?

5.What subjects would you like covered in the newsletter
