## Welcome to the World of BBQ

We celebrate the culinary and cultural differences of every country in the world, and promote each unique style of BBQ cooking and presentation through the sport of BBQ.

### PRESIDENT NOTES

#### HELLO EVERYBODY !

We are well and truly into Summer, and also well on our way to organising the best WBQA European BBQ Championships ever! Bremen is a wonderful city, and I believe it will be a perfect backdrop to the competition in September. Interest is truly international, and we are excited to have teams from Argentina, Morocco and Guatemala registered to compete.

The WBQA is going from strength to strength and I would like to take this opportunity to congratulate WBQA Italia, Denmark BBQ Association, SBQA, and Austrian BBQ Association on their fantastic competitions held in May and June, as well as all the WBQA Judges they have recently trained.

*Patrick O'Sullivan*  
WBQA President

## FEATURED COUNTRY OF THE MONTH

### AUSTRIA:

Under the leadership of President Adi Matzek, the aba - Austrian Barbecue Association promotes their ethos of fire in peace and spirituality using local and regional food.

## RECIPE OF THE MONTH

Pineapple is a fantastic marinade, and here is a great recipe for chicken or pork:

- 250mls pineapple juice
- 2 tbsp maple syrup
- 2 tbsp soy sauce
- 2 garlic cloves, crushed
- 2 tbsp chopped fresh thyme
- 1 tsp ground coriander

Want Something Sweet after all that meat? Try these easy Orange Cakes:

Use 4 – 6 large oranges. Carefully cut the top off each orange. Scrape out the insides. Mix up a box of your favourite cake mix (according the directions) and put the mix about 3/4 full into each orange shell. Replace orange lid, wrap in aluminum foil and toss into the BBQ. Yum!
